

This is 'THE GREATEST SHOW' OASIS Young Commissioners participation in action

BARNSELY FUTURE IN MIND (F.I.M.) LOCAL AREA TRANSFORMATION PLAN 7th STAKEHOLDER MEETING

We will soon be coming to the end of our local area transformation plan and I wanted to take the time to thank everyone for their commitment throughout, to make mental health services and support better for young people in Barnsley.

After the transformation plan has ended, I wanted to let you all know you will still have the dedication from OASIS Young Commissioners to continue to work with services and professionals in Barnsley and to consult with us on any issues that affect young people.

-Chris, Young Commissioner.

As a group, we're looking forward to working on the implementation of the mental health section of the NHS Long Term Plan and have already started work around this. We will focus on the NHS Long Term Plan at the next and last stakeholder event for Future In Mind.

We want to take time to reflect and look at how other services can involve young people in future participation work at this event.

BIT DIFFERENT THIS ONE, ISN'T IT??

We will be doing this through a Hot Air Balloon Activity that OASIS will be leading.

All will be revealed soon!

HOT AIR BALLOON ACTIVITY

Focus on one service/organisation at your table - think about a new idea or work already being developed that would benefit from involving young people locally, discuss it, and feedback on the hand out.

1 BASKET:
WHO NEEDS TO BE ON BOARD?
Write the names of people or organisations that need to support the project in order for it to go anywhere.

2 BALLOON:
WHAT NEEDS TO BE IN PLACE FOR THE PROJECT TO TAKE OFF?
Write factors and issues which need to be sorted for the project to fly.

3 TETHERING ROPES:
WHAT IS HOLDING IT BACK?
Write factors which are preventing the growth of the project. Eg:

4 ABOVE THE BALLOON:
WHAT WILL REALLY MAKE IT FLY?
Write factors that will really help the project to grow!

5 CROSSWINDS:
WHAT MIGHT BLOW THE PROJECT OFF COURSE?
Write factors which could be problematic for the project once its off the ground. Eg:

POSTITS FOR FEEDBACK!

Investment in children and young peoples mental health as priority.
Positive feedback on THRIVE programme.
Positive showcasing of young people's influence.
Support through Mindspace for young people, carers and parents to receive support.

Dedication from partnership to make things better.
Excellent presentations from young people!
Effective collaboration and interaction with different agencies.
Young peoples dedication.
Development of MH Ambassadors.

SDV of primary schools using THRIVE approach.
Bringing services, young people and commissioners together to share wisdom.
Commissioners listen to young people and learn from their experiences.

The positive impact of young peoples participation and influence.
Overcoming silo working with commitment to partnership working at the outset.
Development of low to moderate mental health services not previously available.

Development of 0-25 years service.
Early intervention & prevention services.
Establish an emotional health and wellbeing hub bringing partners together to provide a one-stop service.
Ensure young people/ service users influence services.
Continue to fund OASIS.
THRIVE approach to be implemented in all primary and secondary schools.

More community based services.
Public Health survey to be adapted to age range and available online.
More multi-agencies to involve young people in events, eg. World Mental Health Day.
Continued commitment from stakeholders to support CYP MH.
Replace THRIVE with new mental health support team for primary schools.
Young peoples participation to continue to be at the heart of our work!

Young people have the ideas and they work with adults to take them forward.

Adults give advice, their experience and support.

The adults don't tell the young people what to do but work with them to make shared decisions.
